We are Tantra people
But what to do with Tantra

Snot drop of Indhira Gandhi's nose
Cow dung of the cow called India"

Flower is band

All the flowers except
Blue lotus³

&

Karthigei poo⁴
(Gloriosa superba, Agni shika or jihva, Niyangala)

Flower people not allow
This country
How I meditate

How I masturbate
Glance at a bra
How I touch
How I kiss
How I press
Boobs?

How I **tounging**
How I **licking**

Your **cunt** is not to be a **bomb**

This is the country
Where ban
Meditation

Copulation and
Mind alteration

Then
This country is

The country of war
Between
Blue lotus & Agni shika
(Tongues of flame)

The country of blood
And sperm.....
Blood of
Assassination
Blood of menstruation
Blood of copulation
May be so called virgin blood.
This is not a country
This is a cunt.
I will try to masturbate
Among blue lotus
Niyangala, orchid,

Bras, used sanitary pads,
Panties, condoms and Femidoms, bloods and sperms

I am Onan
I am **fucking** in coitus interrupt.
My erect penis shivers with fear
Fear for if my sperms
Conceived as a **bomb** in a **womb**.

I waste my **seeds**
With coitus interrupt.
I am Onan

According to the **rhythm of national anthem**.
Evan like Oshimas so-called porno movie.
“The realm of senses.”
Those spermy people
Striking stone to me.
People like the sperms
In a bucket of condom
Under a **brothel bed**
That must be empty like spam.
